

Vehicle Cleaning Pump

Suitable For:-

- 2 Wheeler Washing
- Car Washing
- Bus/Truck Washing
- Trailer Cleaning
- Dumper Cleaning
- Rail Coach Cleaning
- Earth Moving Cleaning Equipment

Salient Feature:-

- Triplex plunger gives far better mechanical efficiency than single and double plunger pumps.
- Pulsation free jet without pulsation dampener eliminates diaphragm replacement cost.
- Life of highly finished (<0.25 Ra) ceramic plungers is 6 times more than chrome-plated plungers and high quality imported plunger seals are bound to give 3 times more life than conventional rubber seal.
- Highly finished components save minimum 10% power in direct couple unit.
- Light weight and compact.
